

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office

April 17, 1997 LB 882

today. I believe this is an issue that needed to be on the record, and it's a very simple one, what's the most productive use of state money, who has the greatest need, and who has the best chance for rehabilitation. It is simply will it be a juvenile incarceration work camp, or an adult incarceration work camp? I appreciate the efforts that will be made. I'm pleased to hear that the community-based services will come out, because we are sadly lacking those in my part of the state, which is another reason why I addressed the bill, coming at it from this angle. So I would simply say that this bill is here now, and I would request a call of the house and a record vote.

SPEAKER WITHFM: The question is, shall the house go under call? All of those in favor vote aye, opposed vote nay. Record, Mr. Clerk.

CLERK: 15 ayes, 0 nays to place the house under call, Mr. President.
